

#### HOME COUNTIES MAGICAL SOCIETY

The Home Counties Magical Society is delighted that you are considering membership to our longstanding society, established in 1947. It is steeped in tradition, has many longstanding members and has close alliances with the Magic Circle.

Magic in itself is an art form that has at its roots in hundreds of years of performance, literature and of course many secrets that it cannot publicly disclose. Therefore, as a society we uphold the strongest ethics in relation to our art form and in considering prospective members we have to ensure their intent is genuine and sincere. To this end we have a two-stage entry process.

## Stage 1: Registering your intention by application and interest in joining our Society.

Upon receipt the Membership Secretary or one of the Council Members will simply have an informal chat with you to consider your interests in magic and your motivation in joining us.

# Stage 2: Following this you will be invited to meet with two Members of our Society, either in person or virtually.

The two could either be Council Members or some of our experienced members. The purpose of the meeting is to understand your genuine interest, preferences and if you are:

- A performer or aspiring performer at whatever level (you could be a hobbyist, an amateur, a professional or semi-professional)
- A researcher/ historian or someone with a literary interest in magic
- An active follower of magic with a deep-rooted and genuine interest in the art

You may be asked to perform some magic for their consideration or simply discuss a magical aspect of interest.

We ask you to complete the following simple application, answering the questions as fully as possible to enable us to support your membership.

We are a friendly and supportive club with a genuine and thorough interest in magic. Some members are also members of other societies; some are members of The Magic Circle; some are keen and enthusiastic hobbyists, - but we are all keen to share and learn.

We look forward to welcoming you!
